I have been an active part of the city of Rockledge since moving here and want to continue to serve my community. I have served on the Business Development Committee for the past 5 years and wish to continue my service. I have also been Rockledge's citizen to the CAC, the school board Rep to the Planning Commission, a founding member and volunteer with the Georgia Phillips Reading Room and am active with St. Mary's Catholic community. My focus is community development, working to bring a Costco and other businesses here, and improving recreation and transportation options.
