## **MOTOR VEHICLE**

Except as provided for in other regulations, no inoperative or unlicensed motor vehicle shall be parked, kept or stored on any premises, and no vehicle shall at any time be in a state of major disassembly, disrepair, or in the process of being stripped or dismantled.  
(An expired / missing tag is also an inoperable vehicle).

Painting of vehicles is prohibited unless conducted inside an approved spray booth.

In areas zoned to permit storage, repair or maintenance of wrecked, dismantled or inoperable motor vehicles, such motor vehicles may be stored, placed, repaired and kept within an enclosure having opaque walls, or within a nontranslucent and nontransparent fence enclosure, the walls or sides of such enclosure to be of sufficient height to completely prevent all motor vehicles therein from being seen or viewed from abutting private properties or from any public property. The gate or entranceway into the enclosure must also be opaque, nontranslucent or nontransparent.
